## VSI - NATIONAL SECURITY

### Standard Sizes

The National Series safe deposit boxes incorporate the most desired sizes and features in today's marketplace. Standard sizes are 16" or 22H x 32 1/2" W x 24" D. Boxes designed for hotel front desk areas and other commercial uses are available in various configurations that may be customized to fit your needs.

### Secure Construction

Built of heavy 16 gauge steel with all welded construction. Engineered for exceptional strength and visual appeal, the black painted steel cases feature 1/4" nosing with self aligning plate for ease of installation.

### Doors

Polished solid alloy.

### Bond Boxes

Heavy duty metal bond boxes.

The opening is three quarter length with a hasp fastener.

### Hinge System

Bronze colored metal with Safe-T feature to insure that if hinges are removed by force, the door will not open.

### Locks

Standard double little nose are standard. Optional key changeable locks and self service locks are available. Standard lock nose finish is bronze color. Optional nickel is available.

### Numbering System

Standard numbering system with silver colored number plate. The numbers are black on a gold background. Optional stamped embossed number in the doors is available.

### Options

Optional stamped embossed number in the doors, stamped numbers on keys and custom nests.

### Installation

The National Series in standard sizes is available for quick delivery.
